

INFORMATION LETTER

INTERNATIONAL SCIENTIFIC AND PRACTICAL CONFERENCE "INNOVATIONS AND BREAKTHROUGH HIGH-TECH TECHNOLOGIES IN THE DEVELOPMENT OF INDUSTRY AND EDUCATION", DEDICATED TO THE 65TH ANNIVERSARY OF THE RUDNY INDUSTRIAL UNIVERSITY

The history of the Rudny Industrial University begins in May 1959, when the City Committee of the KP of Kazakhstan, the leadership of the SSGOK and the Sokolovrudstroy Trust appealed to the Central Committee of the CPSU, the Central Committee of the Komsomol and the Ministry of Higher and Secondary Special Education of the USSR with a request to organize the training of engineering personnel in Rudny. In the autumn of 1959, a branch of the evening industrial faculty of the Kazakh Mining and Metallurgical Institute named after V.I. Lenin was opened.

By Order of the Minister of Higher and Secondary Special Education of the Kazakh SSR No. 175 dated March 5, 1964, the evening Industrial Faculty was transformed into a branch of the Kazakh Polytechnic Institute.

In January 1978, in accordance with the Resolutions of the Council of Ministers of the USSR and the Council of Ministers of Kazakh SSR has opened a new independent university in Kazakhstan – the Rudny Industrial Institute.

On the basis of the order of the Ministry of Science and Higher Education of the Republic of Kazakhstan dated November 7, 2023 No. 565, Rudny Industrial Institute was renamed Rudny Industrial University.

Currently, Rudny Industrial University is a leader in the field of technical education and scientific research, an industrial and innovative centre in northwestern Kazakhstan, integrated into the global scientific and educational space, contributing to the development of a sense of pride of every citizen for his country.

The founders

- Ministry of Science and Higher Education of the Republic of Kazakhstan.
- Rudny Industrial University, Republic of Kazakhstan.
- SC Sokolovsko-Sarbayskoye Mining and Processing Production Association, Republic of Kazakhstan.

Leading scientists, experts, specialists of enterprises and organizations, business representatives, teachers, undergraduates and doctoral students are **invited to participate in the conference.**

Time of the event: October 23-24, 2024

Location of the event: Rudny, Rudny Industrial University

During the conference, work is planned in the following areas:

1. Prospects for the development of the mining, metallurgical and machine-building industries in the context of a new reality.
2. Resource conservation and energy efficiency as the basis for the innovative development of modern technologies.
3. Industry 4.0 and digital transformation in the industrial complex.
4. Socio-economic aspects of the development of modern society.
5. The role of innovation in the modern education system.

Working languages of the conference: Kazakh, Russian, English.

Conditions of participation in the conference:

- send the application and the text of the article within the specified period,
- the article is attached as a separate file to the completed application,
- nonresident participants are provided with places in the hostel (free of charge),
- travel expenses: at the expense of the conference participants or the sending party.

Registration conditions: The application for participation in the conference and the text of the articles for publication must be sent to the organizing committee in electronic form by September 23, 2024. Articles are accepted (attached file) by e-mail conference@rii.edu.kz

The requirements for the articles and the application are specified in Appendix 1.

All articles will be pre-reviewed. A collection of scientific articles will be published based on the results of the conference.

Requirements for the design of the article:

- 1) The volume of the article is 4-10 pages, the pages should not be numbered,
- 2) MS Word text editor, A4 sheet format; Times New Roman font, size 14, single line spacing,
- 3) All fields are 2 cm, paragraph indentation is 1.25 cm,
- 4) The author(s) (full name), as well as place of work, city, country, e-mail should be indicated at the beginning of the article. The title of the article, the full name of the author(s), information about the place of work, city, country should be provided in both Russian and English,
- 5) Each article should contain a short abstract in Russian and English (no more than 1 paragraph),
- 6) Keywords in Russian and English should be provided for each article,
- 7) It is necessary to specify the UDC code of the article,
- 8) Drawings and graphs should have a clear image and be designed in black and white (black hatching is acceptable). Tables and figures should have headings. The names and numbers of the figures are indicated below the figures, the names and numbers of the tables are above the tables. Tables, diagrams, figures, formulas, graphs should not go beyond the specified fields (font in tables and figures – 12-11 pt).
- 9) Formulas must be executed in the built-in MS Word Equation Editor,
- 10) The list of references is placed at the end of the article, is drawn up in accordance with GOST 7.1-2003 and is given in the order of mention in the article
- 11) In the text of the article, references to literary sources are placed in square brackets, for example [1], [4,7],
- 12) An application for publication must be attached to each article.

Contacts of the Organizing Committee

Postal address: 38, 50 let Oktyabrya str., Rudny, 111500, Republic of Kazakhstan, Tel./fax: 8(71431)50703, 50401, ext.107 (Organizing Committee), 8(71431)50702 (Chairman)

Abstract:

Keywords:

Application for participation

in the international
scientific and practical conference

"INNOVATIONS AND BREAKTHROUGH HIGH-TECH TECHNOLOGIES IN THE
DEVELOPMENT OF INDUSTRY AND EDUCATION",
dedicated to the 65th anniversary of the Rudny Industrial University

1.	Surname, first name, patronymic of the participant (full name)	
2.	Name of the organisation (full)	
3.	Name of the organisation (abbreviated)	
4.	Position	
5.	Academic degree, title	
6.	Address for correspondence (with postal code)	
7.	Contact details (telephone number with code, fax number, e-mail address)	
8.	Title of the report	
9.	Scientific direction (section)	
10.	Participation in the conference: <input type="checkbox"/> with a report <input type="checkbox"/> without report <input type="checkbox"/> absentee participation	
11.	Дата заполнения
