INFORMATION LETTER

Dear young scientists, undergraduates, students and pupils!

Rudny Industrial University holds the International Scientific and Practical Conference of Young Scientists, Master's Students, Undergraduates and Students on **April 23–24, 2026**.

«NATIVE LAND - THE BASIS OF ALL INITIATIVES OF THE YOUNG GENERATION»

The conference program provides for a plenary session and work in sections, holding thematic discussions.

Main directions of the conference (sections):

1. Engineering Technologies and Digital Solutions in Industry
2. Innovative Technologies and Future Prospects in the Mining and Metallurgical Complex
3. Innovative Technologies as a Vector of Strategic Development of Kazakhstan
4. Challenges and Prospects for the Development of Social Sciences, Humanities, and Natural Sciences
5. Global Trends in the Sustainable Development of Kazakhstan

Applications for the conference will be accepted until **1 April 2026**.
Form of participation in the conference: full-time participation, absentee participation.
Form of participation: plenary meeting and section meetings.

Conditions of participation in the conference:
- send the application and the text of the report within the specified time frame;
- attach the report as a separate file to the completed application;
- participation in the conference is free of charge.

Registration conditions:

The application for participation in the conference and the text of the report (two separate documents in the format .doc or .docx) in electronic form must be sent **by April 1, 2026** to the email address *conference@rii.edu.kz* according to the attached form.

Reports should be written in the form of articles that will be published in a collection of scientific papers (with an ISBN assignment). The **Anti-plagiarism check** must show at least 75% of the original text.

Design requirements:

The Organizing Committee requests that the following rules be followed when preparing reports:

The **texts of reports** of up to 5 *full pages* of typewritten text are typed in the MS Word editor in Times New Roman font, size 14, with a line spacing of 1, without intervals before and after the paragraph. All margins are set to 20 mm, the text is aligned in width. The indentation of the paragraph is 1.25 cm, the hyphenation is not placed, the page numbering is not set.

The **title of the report** is printed in capital letters, bold, centered, without a dot. After one interval, the author's last name, first name, patronymic, course, full name of the organization, and e-mail are indicated in the center. Then, after one interval, the surname, initials, academic degree, position of the supervisor, and the full name of the organization. The main text begins in one interval.

The **list of references** is drawn up at the end in one interval in the form of a general list, numbering is continuous. References in the text to sources are placed in square brackets at the end of the sentence.

Figures and tables (no more than two) are numbered in the text, the figures are numbered in the center below the figure, the tables are on the left edge above the table with the name.

The **working language of the conference** is Kazakh/Russian/English.

All materials are sent to the dedicated e-mail address of the conference (conference@rii.edu.kz). In the subject of the letter, please indicate the last name of the author(s), as well as the section to which the work belongs.

Files should be named according to the following pattern:

− Article_Surname.docx;

− Application_Surname.docx.

The application shall be filled out in a separate Word file. In one field of the application form, no page breaks (Enter) are allowed, as well as additional information of the type: '*e-mail address*: mail@domain.kz / *phone number*: 81234567891'.

If there are several authors, their data should be indicated in one application form, separating each field with ' ; '.

To indicate the **format of participation**, only short designations are used: "SECTION", "PLENARY", "ABSENTEE".

Contact details of the section chairs will be provided separately or on request. Questions of full-time participation should be resolved directly with the conference organisers. Along with the name of the scientific supervisor it is obligatory to indicate his/her academic degree and position.

The **use of artificial intelligence** in articles is allowed to the extent permitted by the Interuniversity Standard on the Use of Artificial Intelligence in Higher and Postgraduate Education of the Republic of Kazakhstan (https://www.rii.edu.kz/wp-content/uploads/2025/02/Межвуз-стандарт-по-ИИ.pdf). The report is not subject to editing and is accepted in the final version. The collection of conference proceedings is formed by direct copying method, so it is necessary to strictly observe all the above requirements.
